HORMEL HISTORIC HOME...where the past inspires the present

Hospitality ~ Education ~ Music ~ History

Fall, 2019

Note from Holly...

It seems I am always thinking 3 to 6 months down the road both administratively and programmatically for the HHH. But an upcoming event has had me looking backward lately. The event center, which we refer to as the Carriage Hall Event Center in reverence to the Carriage House that it replaced in 2009, will be 10 years old this November. That is a great milestone, especially when I tell you that the mortgage has been satisfied and the space continues to support the overall mission of the Hormel Historic Home and ultimately the legacy of the Hormel family. Because of the addition we remain vital in the community and preserve the interests and values of the Hormel family. I hope you will enjoy our fall activities including the 10 year anniversary celebration on September 8.
